

To Whom it may Concern

Dear Sir,

Re: Internship

This is to certify that Mr. Manura Madhushan Munasingha is attached to Information Management Unit of the Department of Agrarian Development as an Intern Web developer from 12 February 2024 "for a minimum period of six months.

The Information Management Unit of the Department of Agrarian Development is another Unit under the Ministry of Agriculture whose primary objective is to collect and store information related to paddy-land and highland cultivation details in Sri Lanka and provide necessary information to the relevant departments and ministries. As a part of our unit, there are currently two main functioning information systems.

Mr. Manura, is responsible for further developing and supporting those systems and developing new systems under our unit. He will also be responsible for the general office IT-related work for our unit during his internship period.

If you need further information or any clarification, please do not hesitate to contact us.

Thank you.

Yours faithfully.

.....
